WHERE ARE THEY NOW

Outside the sky is water color grey
Newspaper says to look for rain today
No one around for company
And so I turn to memories to pass the time away

Each face that flashes back to mind
Seems as it was untouched by time
I can't recall quite all the names
Each one is precious all the same

How strange to think
How many friends were lost somewhere behind

Where are they now
How I miss those companions
Who walked the canyons of the night
By my side
Where are they now
Like so many crazy dancers
We live only for the answers in a song
But that was long ago
Where are they now

To The Top!

Kelly, do you have your teacher's permission to be at your locker?

The Freshman class this year is a little different than in other years; they seem to be more enthusiastic about everything, not just school! Several of the freshmen will receive letters this year for athletics and other activities. They had good Basketball and Track seasons and are looking forward to next year; so watch out, Juniors and Seniors!

This year the Social Studies program at Perkins-Tryon High school has been expanded. World History and Psychology/Sociology classes were added to the reservoir of social sciences. These classes were offered to help broaden the students' insight of the real outer world. These subjects were made even more interesting by the creative efforts of the tireless instructors.

Here's Kelly Hastings in her usual blank state of mind.

Demon Dispatch

Co-editors Kris Fedro and Daryn Casey seem deep in thought about the next issue of the Demon Dispatch.

"A very fine year for the Demon Dispatch," says Mrs. Evans. Each week we add a two to three page supplement to the Perkins Journal. The kids work very hard and go through some training, such as attending the Oklahoma State University journalism day, going to the high school publications workshop, and spending their own time on Tuesday nights, laying out the paper at the Journal office.

This year the Cheerleaders attended the O.S.U. cheerleading camp, where they received six blue ribbons and one red. With the leadership of Angie Doyle (Head Cheerleader) and the cooperation of the others they came out with the District title.

For spirit and fund raisers the Pep Club sold derby hats during homecoming week while the cheerleaders baked cookies and cakes for the teams.

Midnight Regiment

Are You Ready?

The theme this year for the Midnight Regiment was "You'll Never Walk Alone," and they never did. The band received much support from parents, students, administration, and faculty, and it really paid off.

The Midnight Regiment attended District Contest in Ponca City where they received Superior ratings. They also went to Sulphur, where they received first place in class 2-A, and second place in an open class. But the most prestigious contest the Midnight Regiment attended was at Norman, in Owen Stadium. There they performed in front of 20,000 people, placing first in class 2 A and seventh in an open class. GREAT JOB, MIDNIGHT REGIMENT!!

That's A Fact, Jack!!

When you walk through a storm, hold your head up high,
and don't be afraid of the dark.
At the end of the storm is a golden sky
and the sweet, silver song of a lark.
Walk on through the wind, walk on through the rain
though your dreams be tossed and blown.
Walk on, walk on, with hope in your heart,
and you'll never walk alone...
YOU'LL NEVER WALK ALONE.

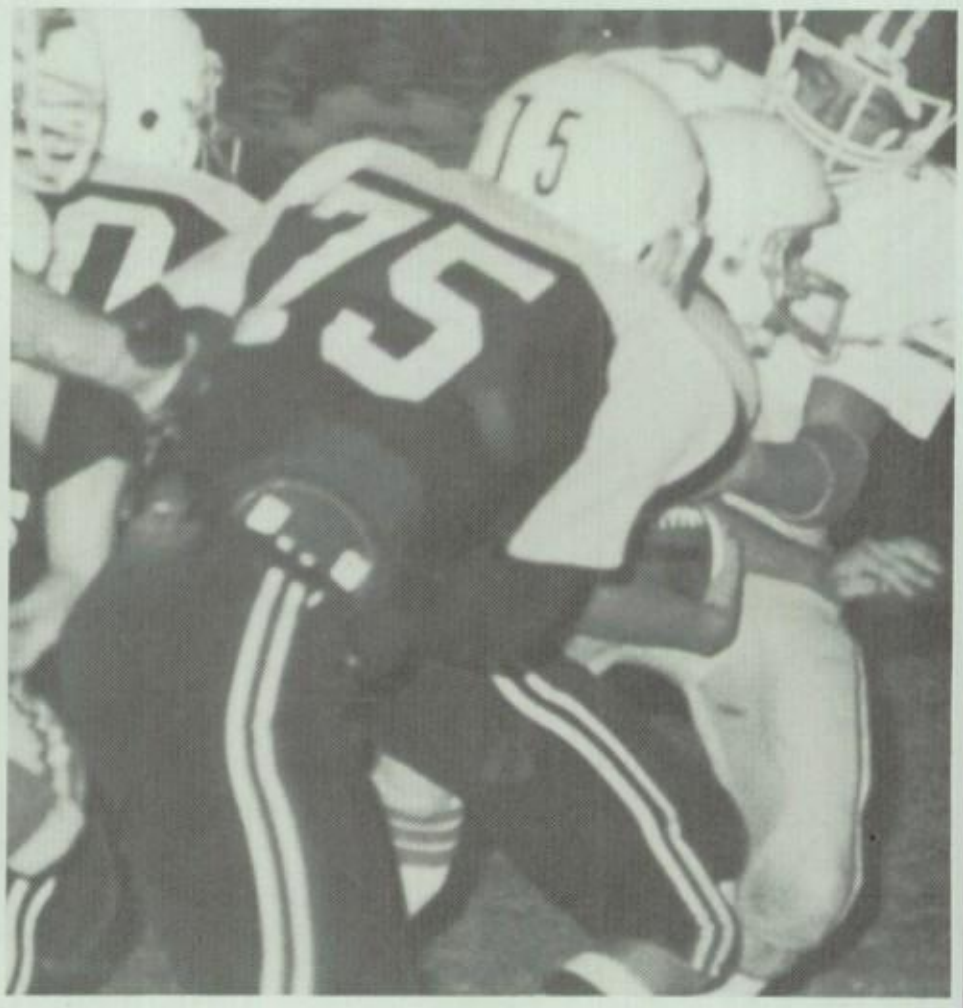
Bruce Field misses opportunity at Pond Creek.

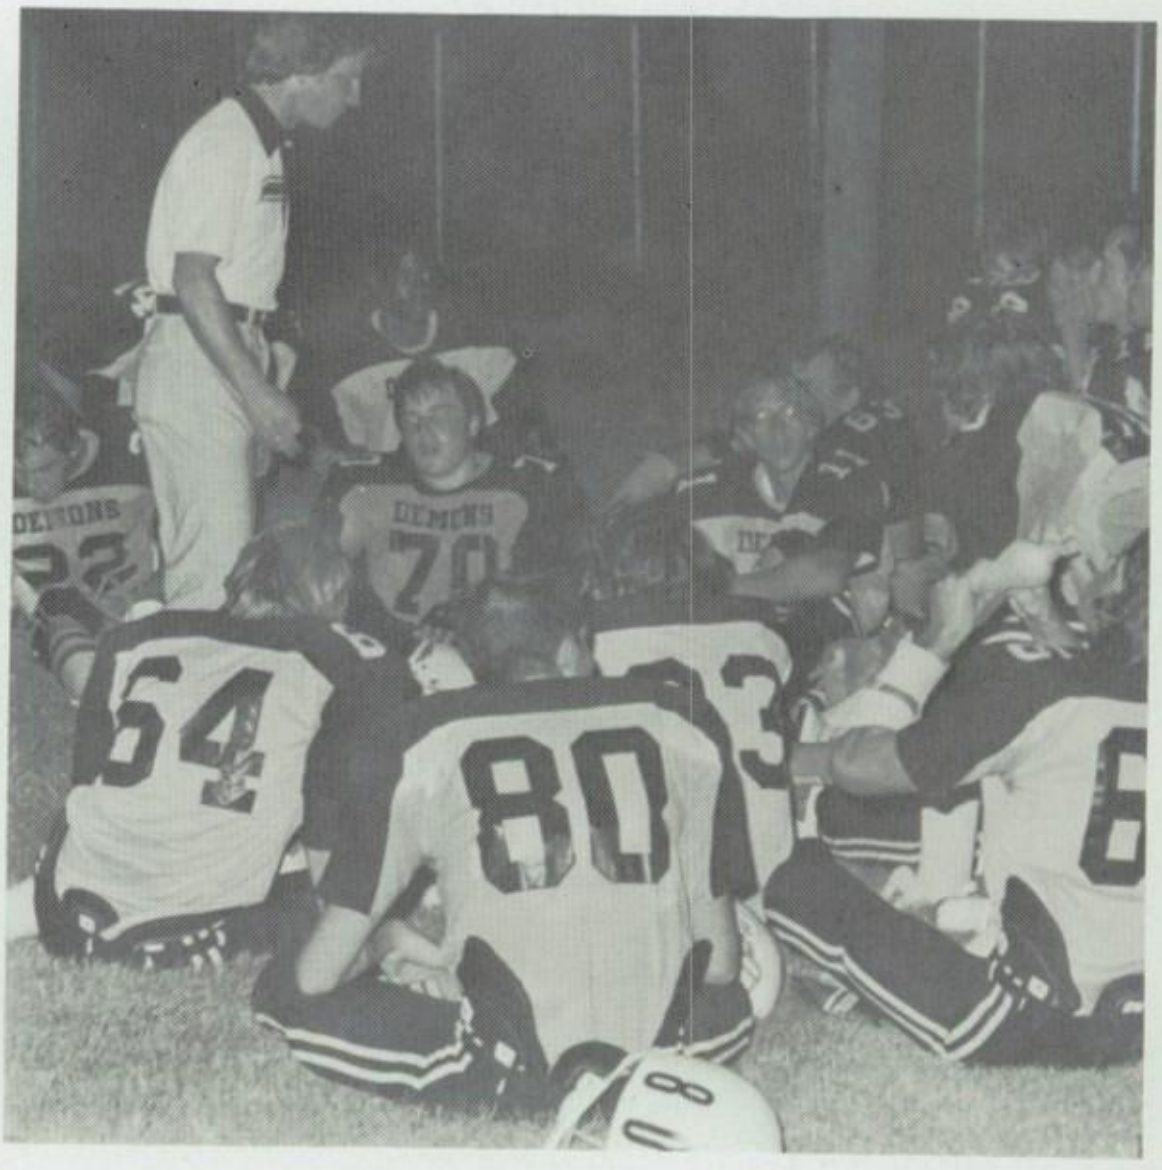


Lost in a crowd.

Coming off a winless season, the 1981 football season did not look good. When they lost the season opener and dropped the second game to Meeker, everyone became worried. The Demons won the next two games and the fans got their faith back. But the Demons lost their next two games, one to district rival, Stroud. Sitting on a 2-4 record, and 0-1 in district play, with their next three games being district, the team was in a do or die situation. P-T easily got past Drumright and Kellyville, but still faced the powerful Chandler Lions for a spot in the playoffs. In the tough game at Chandler the scrappy Demons came out victorious, 21-8. P-T assured themselves a winning season by romping the helpless Newkirk Tigers 40-12.

Watch out, Eric, they have you surrounded.

Smith finds a hole as McKosato looks on.



Coach Russell says, "stay 'tuff'."

Demons Have Winning Season 6-4

All District Players cited: Larry Gordon, Eric Smith, Nickey Westbrook, Bruce Field, Phil Hasley, Robert Wall. Coach of the year: Keith Russell.

Judi Dean takes'em one on one.

Sidelines after another win.

Coaches Skip Frazier and Rose Ann Winters had no place to go but up with the P-T girls' basketball team. After an 11-12 record in 1980-1981, there was plenty of room for improvement, and they fought hard to bring the season of 1981-1982 to a winning record of 15-7.

Both coaches and the team worked hard and put out a lot of sweat, to put together a fine demonette team. They were inexperienced, but had lots of confidence that they would be winners.

Coach Frazier stated, "The 1981-82 Lady Demon basketball team was very successful in that the girls developed their skills to the point they didn't beat themselves every quarter. They were willing to work and sacrifice to make this improvement. This type of environment made an enjoyable situation for the coaches. I will always think of the word "Hustle" when I remember the 1981-82 team."

Shelley McKosato, Judi Dean, Dayna Hughes, and Jennifer Payne received honors for All-conference. Shelley and Dayna also received All-area, with Judi and Jennifer making honorable mention. Shelley was chosen as Guard-of-the-year, while Coach Frazier was Coach-of-the-year.

GO DEMONS!
Herman N. Coleson
Josten's Yearbooks
(405) 360-0372
Norman, OK 73071

I hope you enjoy looking through this yearbook. I think the '82 Demon is the biggest one ever made here at P-T High.

We would like to thank Mrs. Platt for helping us put our annual together, and especially, thanks to you for buying a yearbook.

Robert Wall

Co-Editor

I am proud to be a member of the yearbook staff this year; we've accomplished a lot and I hope you enjoy this year's book.

Yearbook has been a very good experience for me. Learning to work with others and taking on the responsibility of getting a job done are some things I've learned.

We put out much effort to make the yearbook a memory for all of you. Mrs. Platt, our adviser, has taught us how to put a yearbook together and she has put a lot of herself into our book. I'd like to thank her for teaching us so many things and I'd like to thank you, also, for supporting us by buying a yearbook.
